Creative Facilitation Workshop
For Teachers, Youth Workers, Artists, Community Mobilisers, Social Workers, Changemakers...

Are you ready to take your group facilitation to a whole new level? ...
If YES, then this is the most INSPIRATIONAL and informative training for you.

THE CREATIVE FACILITATION WORKSHOP is a two day residential experiential training program that provides a step-by-step easy to implement pathway to becoming a dynamic leader who can create transformative learning experiences for groups. Based on the premise that good facilitators are authentic, creative, responsible and passionate; the training weaves personal growth, with skill building in facilitation, group work, youth development and arts-based practices. Participating non-traditional high schools, community based organisations and non-profits from across Jamaica are also encouraged to apply to participate; and to also sign-up and volunteer at the One Love Youth Camp (OLYC) in summer, 2019.

JOIN US IN A COOL LUSH ENVIRONMENT AND LEARN:
• Powerful Program Designs
• Leading-edge Facilitation Skills
• Effective Communication
• Working Effectively with Diverse Groups
• Engaging Resistant Participants
• Creative Arts Skills
• Cultural Competency

Globally, Creative Facilitation Workshops including the necessary resources and materials would normally attract a fee of US$300. Thanks to our partners Bob Marley Foundation & Ben & Jerry's, this workshop is being offered for free to participants in Jamaica.
